LOCATION: SCSO Training Center
10319 E. Appleway
Spokane Valley, WA 99206

COST: FREE

DESCRIPTION:

Interview Techniques and Deception Detection- Advanced is a comprehensive course introducing cognitive interviewing techniques, micro-expressions, victim interviews and interview structure along with a review basic lessons to maximize the interviewer's skills resulting in a greater potential when determining deceptive individuals and securing a legal confession. This "hands on" course provides the participants the opportunity to use skills and techniques learned in the basic and advanced portions along with their own personal style during video and role player practical exercises. Participants will be interviewers and interviewees during practical exercises and will evaluate one another's interview skills along with instructor staff input. It is recommended participants have previously participated in the Basic course of instruction, but it is not required to take part in this course. Seating is limited to 70 people each day.

This class is presented in partnership and with the full support of the Seattle Field Division of the ATF. The course is instructed by RAC James Mostyn and Agent Joseph Steele of the ATF.
